
Coyote Run Bendell Don

art & culture 11 december 15 - 21, 2010 tmi e fleis in our ... - other hand, don't really count as artists at all. i don't know what they are, but you cannot help asking why tate britain gave so much space to ban-ner's trite anti-war illustration by hanging a fighter jet from the ceiling. as for cruz, who was shown at the camden arts centre, she should stop her twaddle and get a job at tesco.
